Dear Ms. Bullins Switzer:

Based upon the review of your accreditation application, the Health Hazards Control Unit (HHCU) has determined that you have fulfilled the requirements and are eligible for asbestos accreditation as a(n) MANAGEMENT PLANNER. Your assigned North Carolina accreditation number is 21050, which is reflected on your enclosed North Carolina Accreditation card. Please be sure to take this card with you to any asbestos work site where you are employed. The State requires that all persons conducting asbestos abatement or asbestos management activities be accredited and have their identification card on site.

Your North Carolina Management Planner accreditation will expire on AUGUST 31, 2021. It is NOT the policy of the HHCU to issue renewal notices. If you wish to continue working as a(n) Management Planner after this expiration date, you must successfully complete the required training and submit a completed application to this office prior to August 31, 2021. If you should continue to perform asbestos management activities as a(n) Management Planner without a valid North Carolina accreditation, you will be in violation of State regulations and may be cited for noncompliance.

Sincerely,

Ed Norman
